

Progressive inner nuclear layer dysfunction in non-optic neuritis eyes in MS

Neurol Neuroimmunol Neuroinflamm 2018;5:e444. doi:10.1212/NXI.0000000000000444

In the Article "Progressive inner nuclear layer dysfunction in non-optic neuritis eyes in MS" by Y. You et al.¹, there was an error in the last rows of Table e-1 and Table e-2, which should have listed "amplitude (μV)" above "implicit time (ms)." The supplemental files were updated accordingly on January 10, 2018. Numerical values did not change. The authors regret the error.
