Identification of circulating MOG-specific B cells in patients with MOG antibodies

Neurol Neuroimmunol Neuroinflamm 2020;7:e647. doi:10.1212/NXI.0000000000000647

In the article “Identification of circulating MOG-specific B cells in patients with MOG antibodies” by Winklmeier et al.,¹ first published online October 14, 2019, on the right side panel in figure 2a, the labelling of patient 15 should not have been included while the labelling of patient 26b should have been included. The corrected figure appears below. The publisher and the authors regret the error.
