

Monitoring of radiologic disease activity by serum neurofilaments in MS

Neurol Neuroimmunol Neuroinflamm 0;8:e934. doi:10.1212/NXI.0000000000000934

In the article “Monitoring of radiologic disease activity by serum neurofilaments in MS” by Uher et al.,¹ the following sentence was omitted from the Study Funding statement: “The project was also funded by International Mobility of Researchers at Charles University (reg. n. CZ.02.2.69/0.0/0.0/16_027/0008495) supported by the Operational Programme Research, Development and Education.” The authors regret the error.
